Block: When a Both Down result is applied during a Block action, this player may choose to ignore it and not be Knocked Down.

Catch: This player may re-roll a failed Agility test when attempting to catch the ball.

Dodge: Once per team turn, during their activation, this player may re-roll a failed Agility test when attempting to Dodge.

Additionally, this player may choose to use this Skill when they are the target of a Block action and a Stumble result is applied against them.

Frenzy*: Every time this player performs a Block action (on its own or as part of a Blitz action), they must follow-up if the target is pushed back and if they are able. If the target is still Standing after being pushed back, and if this player was able to follow-up, this player must then perform a second Block action against the same target, again following-up if the target is pushed back.

If this player is performing a Blitz action, performing a second Block action will also cost them one square of their Movement Allowance. If this player has no Movement Allowance left to perform a second Block action, they must Rush to do so. If they cannot Rush, they cannot perform a second Block action.

Note that if an opposition player in possession of the ball is pushed back into your End Zone and is still Standing, a touchdown will be scored, ending the drive. In this case, the second Block action is not performed.

A player with this Skill cannot also have the Grab skill.

Leader: A team which has one or more players with this Skill gains a single extra team re-roll, called a Leader re-roll. However, the Leader re-roll can only be used if there is at least one player with this Skill on the pitch (even if the player with this Skill is Prone, Stunned or has lost their Tackle Zone). If all players with this Skill are removed from play before the Leader re-roll is used, it is lost. The Leader re-roll can be carried over into extra time if it is not used, but the team does not receive a new one at the start of extra time. Unlike standard Team Re-rolls, the Leader Re-roll cannot be lost due to a Halfling Master Chef. Otherwise, the Leader re-roll is treated just like a normal team re-roll.

Nerves of Steel: This player may ignore any modifier(s) for being Marked when they attempt to perform a Pass action, attempt to catch the ball or attempt to interfere with a pass.

Pass: This player may re-roll a failed Passing Ability test when performing a Pass action.

Sidestep: If this player is pushed back for any reason, they are not moved into a square chosen by the opposing coach. Instead you may choose any unoccupied square adjacent to this player. This player is pushed back into that square instead. If there are no unoccupied squares adjacent to this player, this Skill cannot be used.

Wrestle: This player may use this Skill when a Both Down result is applied, either when they perform a Block action or when they are the target of a Block action. Instead of applying the Both Down result as normal, and regardless of any other Skill either player may possess, both players are Placed Prone.
